December Charitable Giving

This year we have decided to support El Centro, Inc. You may help by providing coats, hats, gloves, and mittens. Coats are most needed for school age children, babies, and mothers in sizes large and extra large. They prefer new items, but will also accept gently used and clean items. So let's all help our community stay warm this winter season! You may bring your donations to the December social.

El Centro, Inc. is a 501c 3 Not for Profit corporation. All donations are tax deductible. For In-kind items, a tax receipt can be issued upon your request. For checks payable to El Centro, Inc., your cancelled check is your tax receipt.
